MONITORING AND
MAINTENANCE DEPARTMENT

Eoluz NV (www.eoluz.be) is one of the leading players in the exciting sector of solar photovoltaic systems. Known for the 10 MWp PV installation on the Audi factory in Vorst, we realized more than 600 installations on industrial projects in Belgium and Luxembourg.

Our focus is primarily on the realization of new solar farms, along with the maintenance and optimization of existing solar farms, with our maintenance portfolio growing with great speed expand. As part of our growth, we are urgently looking for a motivated and technically driven talent (m/f) to join our team.

Jouw Functie

As a service technician, you will perform daily, on a scheduled basis, repairs and preventive maintenance on solar installations at our contractual customers. This includes putting faulty installations back in order (e.g., repair/replace inverters, address monitoring issues, inspect wiring and/or panels, etc.).

After each intervention, provide feedback via a detailed work report. In addition, you will be responsible for annual preventive maintenance. This involves thoroughly checking all elements of an installation (inverters, electrical cabinet, wiring, etc...), cleaning, and possibly replacing worn and/or defective parts.

Jouw Profiel

TSO 3rd degree Electromechanics , Electricity or equivalent by experience (2 to 3 years experience preferably in PV sector)

- You are experienced or trained to work on industrial electrical installations.
- You have knowledge of both the AC and DC side of a (solar panel) installation.
- You can get along with IT.
- You preferably hold the necessary safety certificates.
- You are in possession of a driver's license B.
- You speak Dutch fluently. Being able to express yourself in French/English is a definite plus.
- You have the necessary sense of responsibility and are able to perform your assigned assignments autonomously and safely.
- You are flexible and have no problem with changing schedules.
- You enjoy being on the road to provide the best possible service to our customers on the Belgian territory.

Ons aanbod

- We offer you a varied full time job with responsibility in an exciting and rapidly evolving industry.
- In addition, you can count on an attractive and competitive salary package complemented by fringe benefits.
- An enthusiastic, driven team welcomes you to Eoluz NV
- You will drive one of our service vans
- Further training and development is provided.
